

15FQ+

15FQ+ Certification Course

 Duration: 1 day

Designed for managers, HR professionals, recruiters, talent assessment specialists

Overview

This certification course provides the key knowledge and skills needed to apply the Psytech 15FQ+ Personality Questionnaire.

The 15FQ+® questionnaire provides a comprehensive assessment of personality. It measures the 16 personality factors discovered by Cattell with high reliability and validity.

The 15FQ+® reports on the Big Five personality factors, and a number of useful additional areas such as Leadership Style, Team Roles, and Career Themes, so can be applied in both selection and development processes.

With more than 20 different language versions, and highly customizable reports, the 15FQ+ is chosen by leading Chinese and multi-national companies across many business sectors.
